**Forms to be filled out as needed:**

- Special Diet Request Form for any and ALL dietary needs/restrictions even if Scout self monitors own diet. Needs to be filled out on-line  
[http://legacy.danbeard.org/pubs/2020\\_Special\\_Diet\\_Request.pdf](http://legacy.danbeard.org/pubs/2020_Special_Diet_Request.pdf)  
**OR**  
www.DanBeard.com > Camping then Camp Forms > CAMP FRIEDLANDER SCOUTS BSA SUMMER CAMP > Special Diet Request Form will take you to link to the online form

~~~~~

**For more information about forms see below:**

Sitting in Columbus in February might not provide you with the foresight if your Scout will want to try out Camp Friedlander's climbing / rappelling wall or participate in a snorkeling activity or even have fun at the shooting range during the Cowboy Action Shooting night. In order for your Scout to participate in these activities waivers will need to be on file at camp. Instead of trying to figure what their choices will be this come July...fill these forms out now and they'll be on file ...ready for your Scout to participate and have fun!

**Annual Health and Medical Record / NEW Form**

If you are turning in updated forms or if your Scout has a Physician's check-up to fill out Part C, please use this *NEW BSA* form dated 2019 in the lower right corner. Forms dated 2014 are no longer accepted by BSA. Please note: At summer camp check in medicines which are turned in to be taken to camp (as listed on T200 Prescription Medicine Form) **MUST** match medicines listed on AMHR Part B2. If medicines have changed you will need to fill out a new Part B2.

### **COPE, Climbing, ACE Consent and Hold Harmless Form**

CF has a 60-foot climbing and rappelling tower. Looking over treetops with a view north across the lake and views both up and down the Little Miami River Valley, the climbing and rappelling tower is a signature landmark of the entire camp property. This form is required if your Scout has signed up for COPE, a climbing merit badge, or would like the option of climbing the tower during open climb.

### **Merit Badge Prerequisites**

A list of the necessary prerequisites for Merit Badges offered at CF in 2021 is attached:

### **Prerequisite Completion Log** (make copies as needed)

Your Scout should fill out 1 log per merit badge which has necessary prerequisites. Once prerequisites are completed, bring the log to a Troop meeting to be signed by the approved adult Troop leader. This needs to be done PRIOR to the week of camp – no signatures at drop off day going to camp!!!!

Not all merit badge requirements can be met in a camp setting and Scouts are expected to have completed prerequisites prior to arrival at camp if they would like to earn a completed badge. Parents should review the prerequisites list with your Scout and encourage them to complete these requirements prior to camp if possible. Remember that leaving camp with a partially completed merit badge is not a bad thing. The important thing is that they gained knowledge and had fun! For more information about each merit badge requirement, please consult the respective merit badge pamphlet for 2020 or visit: [BoyScoutTrail.com](http://BoyScoutTrail.com) OR [USScouts.org](http://USScouts.org)

### **Snorkeling Release Form**

There is a fun BSA Snorkeling activity on Monday evening, this form will be needed.

### **Cowboy Action Hold Harmless Form**

This form is required for 14+ Scouts to participate in Cowboy Action which allows Scouts to shoot a pistol, a rifle, and a shotgun.

### **Scuba Release Form**

Needed if your Scout signs up for BSA Scuba. If any medical self-assessment questions on the Scuba Release Form were answered yes then the **Scuba RSTC Medical Statement** must be filled out and signed by a Physician. If no self-assessment questions are answered yes then you **DO NOT** need the **Scuba RSTC Medical Statement**.

### **Off Camp Permission / ACE – & Railroading**

If your Scout is signed up for the A.C.E program at CF, this form will be needed.

### **Special Diet Request Form**

Special dietary needs include allergies (nuts, lactose, gluten-free, etc.) and religious (kosher, vegetarian, etc) diets. If your Scout has dietary needs but self-monitors their diet, a form is still needed. It DOES NOT include your Scout being a picky eater. This form is due to Camp Friedlander 3 weeks prior to camp. **PLEASE let you Scout understand what you filled out for him. He will need to identify himself to the kitchen staff.** “Upon arrival at camp and prior to their first meal eaten, it is the Camper's and Parent/Guardian's responsibility to identify themselves to our kitchen staff; then cooperate in helping us meet their need(s).”
